Pupil Free Day in Term 2 - May 26th
Please note that the Pupil Free Day in Term 2 is Monday, May 26th. This is a
reporting and assessment day for the mid year reporting process.
Term 1 had 2 pupil free days to start the year to allow time for professional
learning and the reorganisation of classes with level 4 classes being accommodated
into the main building.
During term 2 we will be collecting data from staff, parents and students on what
we do extremely well through surveys and forums. Last term we asked parents
of foundation students to complete a survey on their perception of the school
and the way their child had settled into 2014.
Term 3 Pupil Free Day is yet to be confirmed. This professional learning day
will be based on the school review and strategies outlined in the 2014-2017
Strategic Plan.
During the second semester Rangeview will undergo a ‘peer led’ school review.
A panel of principals and a consultant will work with the school community to
review our school. The recommendations from this review will form the basis of the
2014-2017 Strategic Plan. All schools in Victoria are reviewed in a 4 year cycle.
School Council will approve the last pupil free day for 2014 at the May meeting.

Education Week 19th to Fri 23rd May
Open Night Student Presentation-Thurs, 22nd May 6pm - 7.30pm
Planning is underway for Education Week. Open Night will provide families
with the opportunity to see the school in action. There will be many performances
and displays to view. Students and staff across the school are working on an iPad
display to demonstrate their learning and applications of this tool in a classroom.

Term 2 Activities form
The office has sent home Term 2 activities forms and relevant excursion
permission slips to every student. These Activity forms list all the expected
Excursions/Excursions payable for the term (L5 & L6 have a yearly Sport Levy). It
is expected that all students attend the activities as they are an essential
component of their learning and the school curriculum. All payments are due
on 7th or 9th May 2014.

Save this Date: Thurs 12th June 6.30pm
Getting Ready for iPads - At this evening session we will be looking at the User
Agreement and addressing technical issues including how to create secure
settings. Families can bring in their iPads. More information will be available closer
to the date.

SRI (Special Religious Instruction)
SRI has commenced in Level 1, 4, 5 and 6 classes. It is required that students who
will be attending these sessions must opt in for ‘Religion in Life’ sessions by ACCESS
Ministries. If you have a child in these levels the SRI form has to be returned to
allow them to attend. If you change your mind about SRI please complete a new
SRI form from the office or put it in writing addressed to the principal. This
form stays valid for their enrolment time at Rangeview.

Foundation 2015 Information Night
Thursday, 8th May 7pm-8.30pm
Thank you to the many families (both new to Rangeview and current ones) for
their RSVP to the Foundation 2015 Information Night. This evening is geared to
Foundation students starting school in 2015. A range of topics including the curric-
ulum program, specialist programs, enrolment process, tips to help your child
prepare for school and more will be discussed. A light supper will conclude the

numerous years, has volunteered her time to teach Hip Hop during lunchtimes

Hello! My name is Luarna Pollard. My eldest of 3 daughters is in level 2 at Rangeview P.S. I have danced since I was 4 years old and have been teaching since I was 17. I specialise in early development from the ages of 2-13, teaching various dance genres. I am offering hip hop dance classes to the students, based on a term fee and commitment of attendance. 100% of all fees are donated to the school.

Students are not required to bring a change of clothes, but I do ask that they wear comfortable school attire – skirt, shorts, track pants, leggings & school polo etc. Please no school dresses on this day as they restrict movement, especially floor work. Sneakers are required!

Enrolments will be taken at the school office as of this Thursday, 1st May from 8.50am sharp. Full payment must be made to confirm a place in the class. Cash or Credit Card payments only. Once the sessions have begun, unfortunately no refund will be possible.

Needed – Level 6 Student Helpers - For any Level 6 students (boys & girls) that are interested in Hip Hop dance and would like the opportunity to assist in these classes, I am looking for 5 students to help every week. Previous dance experience in any genre would be beneficial but not essential. This is a commitment of 8 weeks (excluding L6 camp week) for the remainder of the term where you will learn leadership skills, teamwork & being a role model, as well as being a part of the dance experience. If this sounds like fun to you and you would like to be involved then please put your name down at the school office on Thursday, 1st May at 8.50am. You will be notified before the first session if you are needed to help. There is no charge for helpers.

DID YOU KNOW?

Our guinea pigs do not eat potato, potato peelings or pumpkin and especially pumpkin seeds. They are poisonous for them.

The chickens can eat them as a treat, especially if the flesh is cooked into a mush. Chickens love a few pumpkin seeds which can be good for them.
