Welcome to the first RCC newsletter - 2013

We plan on producing a newsletter quarterly to supplement the small news articles that are mentioned weekly in the Rangeview school news.

Each newsletter will be online at the school website so you can refer back when you need to.

There have been some questions lately of who we are and what we really do, so we decided to introduce ourselves again and let you know what is happening for the rest of this year.

If you have any feedback or questions let us know.

At Rangeview Primary School we have a very active and involved community of parents/guardians on the Rangeview Community Committee (RCC).

Our Committee sees itself contributing to the wellbeing of the school community as a whole and encourages parents to participate in the life of the school and the education of their children. We like to provide opportunities for parents to get to know each other and also to be informed about their child’s school.

We commit financially to the school budget, which assists in purchasing a variety of resources to run additional programs and provide opportunities for learning. We consult with School Council, the Principal and teachers on what the yearly financial goals should be and School Council decides how this money is allocated and spent. The RCC is proud to have contributed to many new resources and improvements as mentioned in the school newsletter from 19th June 2013.

We organise many functions throughout the year aimed at both children and parents (not including the Fair). Our purpose is not always to run each activity to fundraise, but to provide an enjoyable experience for the whole school community. We work closely with the Classroom Representatives of each grade to ensure everyone is involved, which makes the activities more social.

During the year we run events such as Mum’s Night Out, Mothers/Fathers Day Stalls, whole school disco, hot food days, Footy day, Oktoberfest, morning teas, icy-pole days, Election Day BBQ, Subway lunches, Shopping Tour, Vision Portraits, Carol Night BBQ and Gala Night.

We meet once a month, at times most suitable to fit in with work/other parental commitments. Please see the RCC news section in the Rangeview Telegraph weekly newsletter which outlines planned events, www.rangeview.vic.edu.au and like our Facebook page ‘Rangeview Primary School’ to get the latest information.

We welcome all new parents to our Committee at any time and appreciate any level of involvement as many hands make light work. We need this support from Rangeview Parents for these events to run and be successful. It’s a great way to get to know other people in the school community and see how much students appreciate us being there. We see many new and familiar faces at our events, however we invite more parents to join us at any stage of the event planning and on the day.

Please contact us at rangeviewcc@hotmail.com or on our Facebook page ‘Rangeview Primary School’, we’d love to get to know you!
