ANZAC Performance
Students have been preparing for the ANZAC Day special assembly this Friday, 24th at 9.30am in the Hall. Students in Level 6 will be making the biscuits as a homework task. All year levels will be performing a song rehearsed through the term. Extended families are invited to attend. A morning tea for parents and special guests will be provided following the performances by the levels. ANZAC biscuits are available for purchase from Foundation to Level 5 at morning tea. They will set up a stall outside (weather permitting) and every child will have the opportunity to purchase a biscuit for $1.00. If you want your child to participate, please send the money with them on the day.

Class Representatives Meeting 22nd April at 9.10am
Class representatives meeting is this Wednesday at 9.10am in the staffroom. This provides an opportunity for the Rangeview Community Committee to keep the Class Rep parents aware of upcoming events and canvas support for ANZAC performance, Mother’s Day stall, Mum’s Night Out and hot food days.

The meeting will include looking at the draft of our student reports. This is an open meeting for interested parents from 9.20am to view the new student reports and get parent feedback about the updated format.

NAPLAN (National Assessment of Literacy and Numeracy)
Students in Level 3 and Level 5 are preparing for NAPLAN. This preparation is a regular part of the daily instruction in the classroom and will include the types of questions they may encounter in the test. I acknowledge the importance of this national assessment and I suggest that if parents have any concerns about this assessment they speak to their child’s classroom teacher.

The schedule for NAPLAN is:
- Tuesday, 12th May – Language
- Wed, 13th May - Conventions & Writing (Reading)
- Thursday, 14th May - Numeracy

Students need to be well rested and on time at school as in most cases the testing will take place before recess. For further information please refer to: www.naplan.edu.au

Pupil Free Day in Term 2- Monday, 25th May
A reminder that the Pupil Free Day for Term 2 is Monday, 25th May. This is a reporting and assessment day for the mid year reporting process. Term 1 had 2 pupil free days to start the year, to allow time for professional learning. Although the Term 3 Pupil Free Day is yet to be confirmed this day will be a professional learning day that will be based on the Strategic Plan and educational direction of the school.

Level 6 to Level 7 Transition
On Tuesday this week all students in Level 6 will receive a Transition Pack that contains a letter from the DET Regional Director, Frequently Asked Questions, List of Schools in the Region, Application Form and Privacy notice. Please ensure you complete and return the Application for Level 7 Placement form to the DET Regional Director.

Lost Items
Parent and student helpers have distributed named lost property to students. However, there is already a growing amount of lost school uniform items without names on them from the end of last term. Please mark your child’s clothing clearly to ensure that the lost items find the rightful owner as quickly as possible. You are also most welcome to check the ‘lost’ bucket before or after school.

Foundation 2016 Information Night—Thursday, 14th May 7pm-8.30pm
Thank you to the many families (both new to Rangeview and current ones) for their RSVP to the Foundation 2016 Information Night. This evening is geared to Foundation students starting school in 2016. A range of topics, including the curriculum program, specialist programs, enrolment process, tips to help your child prepare for school and more will be discussed. A light supper will conclude the evening. Please RSVP on 9874 6381 if you are able to attend.

Education Week Monday, 18th to Friday, 22nd May
Rangeview Primary School Open Day will be held on Thursday, 21st May at 9.00am to 11.00am and the Open Night, with Student Presentation, also on Thursday, 21st May from 6.00pm to 7.30pm. These open sessions provide families with the opportunity to see the school in action. There will be many performances and displays to view.
Principal’s Report Continued

Term 2 Activities form
The office has sent home the Term 2 Activities form, relevant excursion permission slips and a Family Statement to every family. These Activity forms list all the expected Incursions/Excursions payable for the term (L5 & L6 have a yearly Sport Levy). It is expected that all students attend the activities as they are an essential component of their learning and the school curriculum. All payments are due upon receipt of the form. A blank form is on the home page of the school website, if required.

Cyber Safety Parent Seminar - Wednesday, 29th April
Thank you to Ms Box for her organisation of this very special Parent Seminar. You will find full details and a reply slip on page 3 of this newsletter.
To assist with seating, please return the slip as soon as possible. This session is free for parents to attend. Unfortunately, we are unable to provide childcare on the night.

Mrs Liz Barr - Principal

Code of Student Behaviour Book  Ian Bunston-Assistant Principal
This week, your child/children will bring home a copy of Rangeview’s ‘Code of Student Behaviour’ book. The purpose of this book is to facilitate a consistent approach to student behaviour at Rangeview. Could you please take the time to read and talk about this with your child? Every student in the school has their own personal copy which they keep at school. Foundation students and new students to the school will also receive a Booklet. The four school values are discussed in class and at Monday assemblies. Throughout the year, students illustrate or write about the values in their book.
Please take the time to read the booklet with your child/children and sign the inside back cover as a reminder and commitment to the expectations of our school.
The Code of Student Behaviour book will be sent home annually for review and signing.
Please return the booklet to the classroom teacher no later than this Friday, 24th of April.
If you have any queries regarding the above please contact the school.

House Cross Country Sports Day
Well done to students in L3 to L6 for participating in last week’s House Cross Country event. Congratulations to Hydro House on winning the day.
Like any skill which is developed, touch typing needs regular practice. It is also a skill that needs individual support and encouragement as it is challenging for children, especially at the beginning when they are getting used to the correct placement of fingers on the keyboard.

To ensure students are concentrating on finger placement in their mind's eye, it is best to cover the keys.

Here is a link to some free websites designed for kids to work through levels. You can explore and utilise your favourite in a structured homework routine.

For instance, spend 10-15 minutes, 3-4 times per week.

**Anzac Day Assembly**
This Friday 24th April our school will mark the 100th anniversary of the Gallipoli landings by the Anzacs. We will be having a special assembly at 9 30am. A number of our grade five and six students will be part of a small play telling the Anzac story. All the students will be singing songs of that era. Our school band, and choir will be performing along with Ruth Collins a guest trumpet player. Simon Mattiske from the Ringwood RSL will be attending and speaking to the students. We have a number of war veterans attending our assembly. Please come along and join us for this very special occasion.

**NEVR Concert**
Congratulations to our instrumental students on gaining places in the NEVR concert “Soundscape”. You should have all received letters regarding rehearsals and performance arrangements. The concert will take place on the 27th May at Hamer Hall.

VICTORIAN PREMIERS’ READING CHALLENGE

Message from the Premier

Congratulations to all the children and young people who have already signed up to this year’s Challenge.
Over the last 10 years nearly two million children and young people have read an incredible 34 million books through the Challenge. This is an exceptional achievement and a testament to the success of this important literacy initiative.
Reading plays a critical role in literacy development and future educational success. It expands our minds and inspires us to discover the exciting new adventures waiting among the pages of a good book.
Along with former Premiers John Cain, Joan Kirner, Jeff Kennett, Steve Bracks, John Brumby, Ted Baillieu and Denis Napthine, I would like to wish participants the best of luck on their reading adventures.
Let’s make the 2015 Challenge the biggest, best and most enjoyable yet.

RANGEVIEW has a long tradition of participating in the READING CHALLENGE. Many children borrow reading challenge books from the library. Don’t forget to add these to your reading challenge list. Children read a set number of books.

Level 5 and 6 Production
Presenting
The Pirates of the Curry Bean

Production Dates:  Tuesday, 25th and Wednesday, 26th August, 7.00pm—9.00pm
Forest Hill College (178 - 180 Mahoneys Rd, Burwood East)

Preparations are under way for the Level 5 and 6 production of ‘The Pirates of the Curry Bean’. Students are having fun learning drama, dialogue, movement and songs. They will be learning the choreography to their items later in the term. In some very exciting news, Foundation students will make a guest appearance! More information to come soon.

The production will be a fantastic community event for students and all families. The production team requires some Level 5 and 6 helpers to create props and costumes for the production. There will be an expression of interest form sent home this week for Level 5 and 6 families. Any help will be greatly appreciated. Please see Mrs. Melitsis if you are interested and have any further questions.

Here is brief synopsis of the story line:

Young twins Jack & Liza Periwinkle yearn for adventure, so imagine their joy at discovering a real life treasure map! But when the infamous Redbeard and his pungent Pirates of the Curry Bean steal the map and kidnap their mother, the race is on to rescue her, reclaim the map and find the treasure! Accompanied by their faithful cat Fiddlesticks, the twins join a mad admiral and his crazy crew on a voyage of adventure that takes them from Old London Docks to the mysterious island of Lumbago in the sea of Sciatica! With colourful characters and catchy songs, this show is dripping with piratical style!
Host Families Needed For New Exchange Students in 2015
Many girls and boys aged between 15 and 18 from exciting countries like Italy, France, Belgium, Germany, Holland, Switzerland, Brazil, Norway, Sweden, Japan, Finland, Canada and Austria are hoping to come here to study for 3, 5 or 10 months from July this year and stay with a volunteer family that is willing to host and welcome them and can afford another member at the family table. If you feel you could do this for them for the length of their stay or even some of it, please contact Klaus Schumann on (03) 97584279 and let me know of your interest.

Testimonials
Jules is without doubt one of the most engaging, energetic and BRAVE Trainers that I have ever had the pleasure of working with.
Jules is so brave and so fearless as a trainer in being prepared to share experiences from her own life that she simply had the group totally spellbound one particular day. You can literally hear a pin drop in that training room because Jules had the room so engaged in her training.
She re-energised us all with her engaging personality, enthusiasm and her passion for the material that she is delivering.

Jules was excellent & kept the entire group engaged the whole time. I really thought this should be passed on so this can be recognized. Myself and Patrick Cowley were discussing the class the whole way home & both felt we learnt more in one class than we thought possible & really took something away with us. Please thank Jules for her training & time. We both look forward with further training with Jules in the near future.

Covering Primary and Secondary school-aged children

Anxiety is something we all experience and is in fact a natural survival response. But anxiety can start to impact our children in an unhealthy way, negatively affecting their journey into life. School pressure, family pressure, social pressure and toxic thoughts, can all see anxiety spiral out of control.

By recognising the signs and symptoms of anxiety, we can provide sound support in assisting our children to build on their resilience and internal coping mechanisms.

In two hours, Jules Haddock, Mental Health First Aid Instructor and, REACH facilitator, will share her support strategies with you when dealing with anxious children.

Session outline:
- Understand anxiety as a natural response to life events
- When to worry about anxiety
- Learning how to recognise anxiety signs and symptoms, as it takes hold upon a child's thoughts, emotions and in turn behaviour.
- Learning how to support a child to manage their anxiety

About the Presenter
Jules Haddock has worked in the non-profit community sector for approximately 14 years, prior to accredited training in the last 12 years.

Jules enjoys sharing a creative delivery with her participants, and has a sound reputation as a vibrant and humorous presenter.

She is passionate for the acknowledgement of mental health awareness and de-stigmatising mental illness. She sees the answers lying in education of all.

As a REACH facilitator and Mental Health First Aid instructor, Jules also holds education talks for community groups, corporate businesses, children, and primary and secondary teachers. Jules has and continues to present at a number of national conferences on anxiety and recovery.
