

# Foundation App List 2017

Updated 20/6/17

Please note that many of these Apps will be used next year.

You will see that the Apps have been organised into folders. Please create these folders and put the apps in the appropriate folder: MATHS, WORD WORK / ENGLISH, STORY, CREATIVITY, PRODUCTIVITY. Please create a HOME / GAMES folder for Apps you use at home. Try to organise all the school apps and folders to be on the 'home' screen or front page and the home Apps and games to be on the second screen or page.

There are essential Apps on the Whole School App List. Please check this on the Rangeview Website. Mathletics, Reading Eggs, Quick Voice Recorder, iMovie, Showbie, Book Creator, Popplet, Explain Everything, Pic Collage are some of the essential Apps from the whole school App list.

Please put the Safari icon, the Camera icon, Showbie and the See Saw icon on the bottom bar of the iPad.

To create a folder, press and hold one of the Apps so that they start to shake. You can then:

- Create a folder by dragging and then holding one App on top of another. You can then rename the folder.
- Add an App to a folder by dragging an App so that it is on top of a folder.

When you've finished, press the 'Home' button to stop the shaking.
