

Level 1 App List 2016

You will see that the Apps have been organised into folders. For Level 1 students, Parents, please create these folders and put the apps in the appropriate folder: MATHS, WORD WORK, STORY, CREATIVITY, SETTINGS, PRODUCTIVITY. Please put all other apps into the SETTINGS folder or UTILITIES folder. You may like to create a HOME folder for apps you use at home.

Please put the Safari icon, the Camera icon and the Showbie icon on the bottom bar of the iPad.

To create a folder, press and hold one of the apps so that they start to shake. You can then:

- Create a folder by dragging and then holding one app on top of another. You can then rename the folder.
- Add an app to a folder by dragging an app so that it is on top of a folder

When you've finished, press the Home button to stop the shaking.
