Twilight Working Bee
There will be a twilight working bee this Friday, 13th March from 4.30pm-6.30pm. There are a number of jobs that need to be done including the sweeping and clearing of leaf litter around the school, painting the flag pole, planting passion fruit vines and an assortment of other maintenance tasks around the garden areas.
There will be a barbeque to finish the evening. Please join us - many hands make light work!

Roof Over the Senior Hub & new Shade Sails
Stage 1 of the enclosed space has happened. The framing for the roof started to go up before the long weekend. The flooring will be built during the remainder of the term. It is an exciting development for the year 5 and 6 students and staff. The temporary fencing is in place for the remainder of the term.

Bright and friendly shade sails are being installed as you read this! They had to be replaced due to the storm damage early in the year. They look great!

Zone Swimming Competition
We had 7 students participate on the day. It was a very competitive day with 3 of our students finishing 4th which was a great effort! A special mention to Sam D. of Level 4 who came 2nd and made it through to the Regional finals. Fantastic effort Sam!

GRIP Leadership Conference - Thursday, 12th March
I will be attending the annual GRIP conference for student leaders with 12 student leaders - School Captains, Student Voice and the House Leaders. They will report back to the other student leaders for 2015 and use many of the skills learnt on the day.

Walk or Ride to School Day – This Friday, 13th March
This Friday is Walk or Ride to School Day. We encourage our families to walk or ride to school where possible. This helps alleviate the traffic congestion in the surrounding streets at pick up and/or drop off times. Please join us in the fun of Walk or Ride to School Day this Friday.

Free Dress Day - This Friday, 13th March
The Rangeview Community Committee (RCC) have organised a number of events throughout the year. Every second year they run a huge, well organised School Fair. As a Fair was held last year, this year there will be smaller, more regular fundraising events. One of these occasions is the upcoming free dress day to be held this Friday, 13th March, which we request that a gold coin donation is made.

Last week was the first meeting for Junior School Council in 2015. There are representatives from Level 3 to 6 classes. Our Student Voice leaders will lead this, with Mrs Carmel Brown and Mr Bunston, throughout the year. This team will decide on student led fundraising initiatives and improvements needed at Rangeview.
Level 2 Swimming Program

Level 2 students are half way through their intensive swimming program. There are many excited Level 2 faces leaving on the bus for their sessions. A quick update and a few words on organisation…

Thank you everyone for promptly returning your permission slips and $10 contributions – it is very much appreciated. In order to ensure that groups are an appropriate size and that only students who have joined Lego Club attend, special student lists need to be created. This is why cut-off dates are in place, as classroom teachers need to be provided with finalised lists. The Junior Lego Club now has over 60 members and is officially full, but permission slips are still coming in. Unfortunately, we cannot accept any more, however we’ve decided that as the year progresses, if some children choose not to continue, we will open up those spots and allow other children to attend. We will advise you of any vacancies in due course.

Your financial contribution has allowed us to purchase a great many new bricks for the club. In fact, we’ve managed to purchase over 8500 new parts for kids to build with! Some students from Senior Lego Club enjoyed spending a lunch time sorting them all into colours and part type so that they are now ready to be used in our weekly sessions. Thanks guys!

Both Junior and Senior Lego clubs have now had their first sessions and it was great to see such a fantastic turnout of keen builders. I look forward to seeing their amazing builds over the coming weeks.
