From the Principal’s Desk

Platform for Quality Work
Level 4 and 5 students who attended the Awesome Super Sylvia event in Term 2, are currently working on a whole school project to write the criteria for what makes ‘quality digital content’. Alex Box and Nicole Barnes are leading the group as they analyse content samples and make decisions on what is essential to all video clips which teaches or imparts a message, agreeing on criteria which are transferable across subjects. Ben Mason, our Information Technology Technician, is assisting with the setup of a wiki for sharing quality student content that meets the set criteria. The site can only be accessed at school. Students involved are currently following their own criteria as they write and create their own quality content to help introduce the space and its purpose to the school community. The purpose of the project is to provide another authentic purpose for content created by students, for students, and also to promote and encourage a high standard of work. The team are hoping to have the wiki ready for use, and for its launch, in time for our first National eSmart Week.

Level 4 Weekaway Camp
This Wednesday around 87 students, accompanied by 9 staff members, travelled to ‘Weekaway’ in Lancefield for a two-night camp. There are a wide variety of challenging outdoor activities presented by the camp staff, such as hut building and canoeing. The students return as more resilient people, as they’ve had to cope with unfamiliar situations, including taking care of themselves and their belongings, and sleeping away from home. They’ll try new things, make new friends and really come out of their ‘shells’. I would like to acknowledge the staff who leave families to attend camp and ensure the success of the Experience for our students. The camp program cannot run without the staff support.

Level 5 & 6 Pirates of the Curry Bean Production
ARHHHHH! Full dress rehearsals for level 5 and 6 students, in readiness for the matinee school performances this week on Monday and Wednesday. The excitement is starting to build as students, teachers and parents are seeing the hard work pay off.

Parent Representatives Meeting
Please join me on Wednesday, 19th August for our regular term meeting in the staffroom, commencing at 9.05am. The session will go for approximately half an hour. The RCC will also share their recent newsletter. Everyone welcome!

RESPECT  TEAMWORK  RESPONSIBILITY  LEARNING
A Rangeview tradition is the Annual Billy Cart and Footy Day in September. Students from Foundation to Level 6 can bring a billy-cart to school and join in a time of participation and fun!

Two billy-carts at a time will race around a marked course. ‘Escort’ marshals will provide assistance to the younger students.

Now is the time for you to get those billy-carts ready to race on Friday, 18th September. This year we will also have an entry from the L5 & L6 Lunchtime Science Club. They are designing and making a billycart to race on the day as well. We wish them luck!

Make sure you practise driving with your partner so that you are both familiar with your vehicle.

Students who wish to race their billy-carts will need to register their details with their classroom teacher on Tuesday, 15th September.

You need to register the driver, the runner (pusher) and the name of your vehicle. THE DRIVER AND RUNNER must both be from the same level. You will race against another team from the same level. All participants MUST wear helmets and other appropriate safety gear. On the day, all billy-carts will be stored in a marked area between 8.30 and 8.55am.

SAFETY is of the utmost importance!

**SINGING OF AFL FOOTY SONGS** - 10.45am

* Students will be able to wear their footy colours on the day
* If it is raining on the day, the billy-cart races will be cancelled
* The RCC will provide a hot food lunch to pre-purchase

Come on everyone - dust off those billy-carts and practise for the BIG DAY! - Spectators welcome!

Any parents who have a go-kart or racing car in the garage or back shed, could you please contact me at school on 98746381.

Assistant Principal - on behalf of the Billy Cart & Footy Day Committee

Catherine from Kidproof Safety has done an incredible job of collating feedback from students, parents and staff about the cyber-safety sessions delivered in Term 2. How challenging it must have been to keep the children’s spelling authentic with auto-correct! It’s a 33 page document so look out for snippets in the newsletter each week. Here are some of the Year 1 and 2 responses…
