In the Library

The 2015 Book Week theme is ‘Books Light Up Our World’. As someone once said, they are like lighthouses in the great sea of time. For as long as they have existed, books have been like beacons illuminating the world in which we live, revealing all types of places both real and imagined, the known and unknown, ideas and challenges and so much more!

Term 3 is a very busy term in the Library with our literacy and appreciation focus on the Children’s Book Council of Australia’s (CBCA) shortlisted books, the annual Scholastic Book Fair and celebration of Book Week with a parade.

2015 CBCA shortlisted books
All the 2015 short listed books are in the library on display for everyone to read during class library time, or during open hours. There are six books in the different sections and one book from each section will be selected as the winner. Winners will be announced on Friday, 21st August.

We focus on the books relevant for Primary School children in the following sections - picture story book, early childhood, junior non-fiction book, younger readers and new illustrators. Students are encouraged to evaluate each book as we read them and to choose the ones they think should win. Their reasons for selecting the books are always very interesting and often quite well thought out!

Book Week Celebrations
Our Book Week celebration day will take on a different format this year. It will be held on Monday, 7th September.
The day will begin with the annual book character parade from 9.15am - 11am.
We ask that all children come to school on this day dressed as a character from a book. So chat with your child and begin to plan their outfit for the day!
For the rest of the day the children will be in their classroom and then working with their buddies on book-based activities that the teachers have organised.
More information will be provided closer to the day.
