Congratulations to Florence, Rose, Romahn, and Indigo who were selected as Rangeview Reporters! Look out for their articles in the newsletter throughout the term!

**From the Principal’s Desk**

**School Council Positions**
At the last school council meeting in March the election of the 2013 positions took place.

President - Lloyd Lazaro  
Vice President – Danny Burdeu  
Treasurer – Robert Coombes

**Sub Committee Facilitators:**  
Education- Ian Bunston  
Hall- Danny Burdeu  
Grounds and Maintenance – John O’Connor  
OSHC Program - James Hill

The March meeting approved our 2 school camps- Grade 6 to The Summit in June and Grade 4 to Weekaway camp in term 3.

In addition, the 2012 Annual Report to the School Community was tabled. This report includes data on student learning and wellbeing and financial status of the school. An outline of the direction in student learning, student wellbeing and transitions for 2013 is covered in this report. This report is presented at the next School Council meeting in May. The first section of the meeting is open to the school community and you are most welcome to attend from 7pm until 7:20pm.

**Professional Learning with Michael Ymer**
The development of high levels of competence and confidence in Literacy and Numeracy is a whole school priority. The Mathematics consultant Michael Ymer worked in classes across the school last week. He modeled lessons and debriefed with the observing teaching staff. The structure of the maths lesson with clear expectations and opportunities for all students to succeed builds upon the work on the whole school approach with reading. We continue to challenge our work as teachers and learners and investigate progressive approaches in education.

**House Cross Country**
On Monday we ran the House Cross Country at Rangeview. Our students have trained in preparation for this event. Certainly the high level of participation in such an event has been a personal challenge to do the best you can do. Only a few lucky students will take home a prize. So thank you to all who participated on the day, and to Ms Lisa O’Connor for her thorough planning and organization of the event (photos over page).  

**ANZAC Ceremony**
Today the school captains Darcy and Emily commemorated Anzac Day with a brief ceremony explaining the significance of the day. The acronym ANZAC stands for Australian and New Zealand Army Corps, whose soldiers were known as Anzacs. Anzac Day is a national day of remembrance and is commemorated on 25 April every year to honour the soldiers who fought at Gallipoli during World War I.

**Cybersmart Outreach Program**
We are fortunate to have the high-quality ACMA Cybersafety Outreach Program being presented to students, staff and parents on next Monday, 29th April. Last year we had the ThinkUKnow parent presentation which was very well attended at Rangeview. This is a different program and organisation which has received outstanding feedback from staff, parents and students in other schools. **We therefore encourage you to attend the parent session from 6:00pm-7:30pm.** Child care at OHSC in the hall during the presentation will also be available to make the evening more accessible for parents. You can register your attendance at the school office on 9874 6381. Spare copies of the original notice are also available from the office and your child’s classroom teacher. Come along, enjoy a tea, coffee and a biscuit and help support our kids online by being informed. A gold coin donation would be appreciated.
CAPTAIN AB REPORT

Good afternoon students of Rangeview. It is wonderful to see you again. Today I would like to speak to you about the reasons for being on time. Some people call it punctuality.

Three reasons for being on time include the following:

- Firstly it shows you are being responsible and part of a team effort.
- Secondly it is a way of displaying respectful behaviour to those who have organised an event.
- Lastly, if you are late for an event, you will never know what you have missed.

So in summing up, make sure you are on time for school and all activities because you do not want to keep people waiting and hold people up for scheduled activities.

See you all again soon.

Have a great week everyone.

Direct Credit Family Payment unidentified

One kind family has made a direct credit payment for their school fees but has forgotten to put their family I.D. on it for reconciliation. Details of this payment were $240.00 on the 25th March. It is possible that this was generated prior to this date as sometimes there is a delay in it recording on our statement.

If you believe that this is your payment can you please contact me and have some form of documentation stating this from your bank records for proof of payment.

Just a reminder to all families about this form of payment that it is essential you identify the payment in some format for easy recognition. School fees and excursion etc. are to be identified by your family I.D. (this is a 3 alpha and 4 digit number that appears on your family statement). For OSHCP payment, please state – ‘OSHC / family name / 3 digit number allocated to you on your OSHCP statement’.

Direct credit payments are an easy and safe way of making your payments to the school. I encourage anyone who hasn’t used this facility yet to give it a try. Just don’t forget to put adequate identification on remittance.

Level Term Planners

Just a note to all families to be on the ‘lookout’ for the Term 2 Essential Charges Planner which will be sent home with every child by the end of this week. Your prompt payment would be appreciated.

### This Week’s Cyber Safety Tip

It is vitally important that young people know what information is okay to share with others online. It is eSmart to keep personal information private like phone numbers, addresses, surnames and school. Modelling the behaviours we expect from our children is more powerful than having a different set of expectations for different family members. For instance, an adult role model using Facebook could talk about how they ensure that no one can view their personal details. They may even use a nickname or shortened surname or initial to help protect their identity online. They would also check their privacy settings to ensure that only actual friends can view their Facebook page.

Ms Alex B  ☐  x  Reminder - Cybersmart Outreach Program  
Parent Session Monday, 29th April 6pm-7.30pm
Rangeview PS is pleased to announce that this year our Level Four students will be working on the junior musical production of Alice in Wonderland. The production will take place on Wednesday 4th September and Thursday 5th September at the Mahon Theatre, Aquinas College, Ringwood.

As you can imagine this is a huge undertaking for the school and one in which our students will remember for a long time to come.

Undertaking a production of this size requires many helpers. We are asking parents/ grandparents/ aunts/ uncles, from Level 4 and/or any other level, to assist in some capacity. Maybe you have a talent or skill that the production team can use. Listed below are some suggestions. If you could let us know by filling in the form and returning it to Melissa Dolphin (6 D Room 27), we would be very appreciative. We would love to have a bank of helpers to draw upon. Thank you!

Melissa Dolphin
Production Director, Choreographer.

Working Bee - New Rangeview Computers

The time has finally come to begin the process of getting new computers for all Rangeview students to work with. We are changing over half of the school computers to new leased computers. This is a huge logistical and technical job and we need parent help for some of it. We need willing parents (especially Dads) to come after school (approx. 3.35pm) on Friday, 10th May to wipe the hard disk (instructions will be given) and move out all the old computers, then unpack and put in the brand new computers.

Our technicians will then begin the job of imaging them the following week. We have some trolleys to help with the move.

Can you offer your time, expertise, muscle and maybe a trolley?

Please return the below note to school as soon as possible.

Many thanks,
Karen Hastie - ICT Co-ordinator

**Rangeview Community Committee (RCC) News**

The RCC has been busy behind the scenes organising some terrific events for all Rangeview students. Please make sure you check the newsletter dates (front page) for when the RCC have their meetings and just come along. You would be made to feel most welcome! See below for some important events that are coming up:

**New Date for Sausage Sizzle** - Tuesday, 30th April (lunch time - sausage in bread $2 each)
To avoid clashing with the school photo's, it was decided to change the date for the sausage sizzle. Apologies for any confusion this may have caused. Order forms will be sent home shortly.

**Mother’s Day Stall** - Wednesday, 8th May - a wonderful selection of gifts for Mum will be available to purchase for $5 each.

**Mum’s Night Out** - Friday, 24th May. A night out with friends, held at the school from 7.00pm. Glass of bubbly on arrival, dinner, stalls and raffle prizes. Only $15 per head. Watch this space for further information over the coming weeks.

**Subway Lunch Dates for Term 2**:
- Prep - Grade 2 Monday, 3rd June
- Grade 3 to 6 Monday, 24th June

**Rangeview Community Committee Facebook Page**:
A great new way to keep up to date and informed on upcoming events and information relating to our school.

**Saturday Morning Billanook College Tour**

Saturday 4 May
10.15am for a 10.30 start - RSVP Essential
E: registrar@billanook.vic.edu.au

---

**Blackburn High School – Open Night**

Wednesday May 1, 2013 from 6pm – 8pm

---

**Lost** - a pair of glasses. Please hand into office if found. Thank you.

---

**Outside School Hours Care news**

It is that time of the year again for shoppers to collect the Earn and Learn stickers from Woolworths stores. You can drop them into the box at the front office. Your contribution to the whole school’s resources will be greatly appreciated.

Our Family Dinner will be held on Thursday, 16th May for all OSHC families to get together and enjoy good food and good company, so please put this date in your diary. More information will be sent home to OSHC families shortly.

Curriculum Day - Monday, 27th May. OSHC will be going out for the day to the MCG and the National Sports Museum. The program and enrolment form for the day will be out this week and we ask you to please book by the 20th May, as places fill quickly.

Thank you,
Mrs Shona Ewert &
The OSHC Program Team
