

WHAT'S HAPPENING IN LEVELS 5 AND 6 TERM 3 2018

Welcome back to another wonderful term with lots of exciting events happening.

Term 2 offered plenty of challenging activities for all students in Levels 5 and 6. Year 6 students had a wonderful time on their camp at The Summit. They were challenged and extended beyond their comfort zone. Friendships were enhanced, confidence and self-esteem blossomed. Year 5 students visited Task Works where their problem solving skills were put to the test and their team work shone.

Friday September 14	Summer Inter School Sport
Tuesday September 19	Back up day – City Walk
Friday September 21	Billy Cart Day
	Whole School Assembly – Finish 2.30

REMINDERS

- All notes and money need to be handed to the classroom teacher in a clearly marked envelope including your child's name and grade. If your child has been away from school for any reason, a note explaining their absence must be given to the classroom teacher or alternatively you can phone the office.
- Personal details need to be kept up to date at school. If you have changed your address, phone number, etc, please inform the school in writing of these changes. This is important as we may need to contact you at short notice.
- The Premiers' Reading Challenge is finishing on September 20. Could you please ensure that your child has registered for The Premiers' Reading Challenge and encourage them to regularly set aside time each night to read?

LEVEL 6-7 ORIENTATION DAY

State School transition is TUESDAY DECEMBER 8TH.

Private Schools usually hold transition on an alternative date.

LEVEL 6 GRADUATION

TUESDAY DECEMBER 18th.

A letter will go home early in term 4, asking for assistance for this event. This will be followed by a meeting of parents interested helping to organise graduation. More details to follow later.

TOPICS THIS TERM

Topics being explored this term include Australia as a Nation, Local Geography and Mapping (City Walk).

CITY WALK

The City Walk excursion is eagerly anticipated every second year. Students explore their mapping, timetabling and teamwork skills in groups of 4 or 5. Parent help is essential on this day. Please consider volunteering to accompany your child on this day.

FLL

It's that time of year again and this year a group of 20 Level 5 and 6 students will be selected to take part in the First Lego League. This year's theme is Into Orbit. Our teams have to build and program a robot to achieve some very tricky missions as well as research and develop a solution to a real world problem. This year, they will need to compete at a regional final before hopefully progressing to the state final at Swinburne University. It'll be an exciting season!

COMO HOUSE

As part of our History unit, Australia as a Nation in the 20th century, students will visit Como House to learn about the history of the property and the privileged lifestyles of the families who once lived there.

Level 5 and 6 team.

Lisa O'Connor, Carol Wilson, Kate McLeod, Ryan Evans, Melissa O'Brien, Melissa Dann, Faye Natoli.
